Air Conditioner Service

Regular Price \$320

**Internet Special
Now \$180***

Sick of hot muggy weather! Ensure your car air conditioning system is ready for when you need it most.

Service includes draining & evacuating the air conditioning system, installing a new charge of Approved gas, checking the overall system condition & operation. Plus we'll also do a sanitization treatment which eliminates unpleasant cabin smells and refreshes the air ducts.

Note - *applicable to vehicles with R134A gas systems. Approx 1993 onwards. Call to verify if your vehicle suits.

Available at our 3 Service locations
